### **DAY 02 MELBOURNE – GREAT OCEAN ROAD & TWELVE APOSTLES (BKF)**

Enjoy your breakfast at hotel. Today's tour is packed with great locations, incredible views and natural wonders. So, sit back and relax while your Driver Guide provides expert commentary on all the key landmarks along the way. **Great Ocean Road** the Great Ocean Road stretches for 243 kilometres along the stunning south-eastern coast between Torquay and Warrnambool. An Australian National Heritage listed road, it was built by returned soldiers between 1919 and 1932. The road winds through gorgeous terrain along the coast and leads you to many significant landmarks and natural wonders. **Apollo Bay** At the foothills of the Otways lies the gorgeous seaside village of Apollo Bay. Surrounded by rolling green hills and ocean, Apollo Bay is a lively holiday destination during summer.

Here you can relax and treat yourself to lunch at one of the many cafes and restaurants, or you can take a stroll along the picturesque beachfront. **The Twelve Apostles** The rugged splendour of the approaching Twelve Apostles is just breathtaking. These incredible limestone rock formations up to 45 metres high are the result of erosion that began up to 20 million years ago. Your Guide will share the history of their fascinating evolution while you take in the great spectacle of this natural wonder. If you find you can only count 8 Apostles and not 12 – test your Driver Guide's knowledge as to why!! **Scenic Walk** There are many walks around the location of the Twelve Apostles providing closer access to the shoreline. From the cliff top viewing area you can absorb the grandeur of this iconic site and take some photographs.

**Loch Ard Gorge** Now you'll visit the beautiful Loch Ard Gorge and learn of the ill-fated English ship 'Loch Ard' that ran aground on nearby Muttonbird Island in 1878. The ship sank within 15 minutes, taking with it all but two of the 54 passengers and crew on board. The survivors came ashore and found refuge at what is now known as Loch Ard Gorge, a striking example of the process of erosion. **Port Campbell** Now you can take a well-earned break at the gorgeous little seaside village of Port Campbell. Sheltered by cliffs and Norfolk pines, this little haven has a colourful and lively personality. You can treat yourself to afternoon tea at one of the cafés or bakeries luring you to homemade treats (own expense). You can also enjoy a wander through the boutique stores and galleries – there's plenty here to tempt you.

### **DAY 03 PHILIP ISLAND – PENGUINS, KANGAROOS & KOALAS (BKF)**

Enjoy your breakfast at hotel this afternoon you will travel south-east, heading to Westernport Bay. The route will take you through many of Melbourne's affluent suburbs where you will see tree lined streets and beautiful homes, many built in the late 1800s. As the South Gippsland Highway approaches the landscape becomes more rural dotted with smaller townships and farming properties. **Maru Koala & Animal Park**

First stop is Maru Koala & Animal Park for up close and personal encounters with koalas, kangaroos, Tasmanian Devils and much more!\* **Penguin Parade** So you think the koalas are cute – just wait until you see the Little Penguins. After visiting the information centre, you'll head down to Summerland Beach to witness penguin magic. As the sun sets, the wild Little Penguins emerge from the sea after a hard days fishing and waddle across the sand to their dune burrows. These Little Penguins are the smallest of the penguin species and Phillip Island is home to the largest colony in the world. It's easy to understand why this wonderful spectacle is one of Australia's most popular wildlife attractions. To

protect these Little Penguins, all revenue generated from the parade is invested into environment and education projects.
